In addition, Gs. Dr. Abdul Rahim bin Abdul Hamid (P745) was elected as an Associate Professional Member.

The list of members of IGRSM is available at <http://www.igrsm.org/membership.html>

In addition, for professionals in the field of geospatial and remote sensing who are not yet members of IGRSM, we welcome you to submit the membership application, which is available at the above URL.

Financial Support for Students Presenting at the 40th Asian Conference on Remote Sensing (ACRS 2019)

As an Associate Member of the Asian Association on Remote Sensing (AARS), IGRSM fully supports the activities of AARS, including its flagship event, the Asian Conference on Remote Sensing (ACRS).

We are pleased to announce that IGRSM will be awarding financial support to three students who will be presenting at the 40th edition of ACRS, which will be held on 14-18 October 2019 at the Daejeon Convention Center (DCC), Daejeon, South Korea: <http://www.acrs2019.org>. The selected students will receive RM 1,000 each.

The terms and conditions for the financial support are as follows:

- The students should have membership in IGRSM.
- No outstanding membership fee.
- The students' manuscripts have been accepted at the conference.
- The students should submit the full manuscript for evaluation.
- The selected students are expected to help promote IGRSM during the conference.
- Upon attending the conference, the selected students should submit proof of attendance to the conference (e.g., flight ticket, certificate of attendance, etc.).
- The decision by the committee is conclusive.

The students who will receive the financial support are:

- Mdm. Amiratul Diyana bt Amirruddin (S728), Universiti Putra Malaysia (UPM): *Potential of Hyperspectral Remote Sensing Data in Assessing Chlorophyll Content of Mature Oil Palm with Decision Tree and Discriminant Analysis Classifiers*
- Mdm. Asniyani Nur Haidar bt Abdullah (S729), Universiti Putra Malaysia (UPM): *Estimation of Green Leaves Biomass and Leaf Area Index from UAV Multispectral Indices and Machine Learning Classifier*
- Mr. Naheem Idowu Adebisi (S734), Universiti Teknologi PETRONAS (UTP): *Developing a GEO-APP for Road Accident Emergency Response: Supporting the UN SDG 3*

The visit to the Chief Statistician of DOSM on 26 August 2019 was aimed at discussing on areas of collaboration to further develop the nation's geospatial and remote sensing industry.

IEEE Workshop on Geoscience and Remote Sensing 2019 (IWGRS 2019)

IGRSM is a supporting organisation for IWGRS 2019, which will be held on 5-6 November 2019 at the Malaysian Space Agency (MYSA), Kuala Lumpur. IWGRS is an annual workshop that is aimed at providing a forum to share knowledge and experience on recent developments and advancements in geoscience and remote sensing technologies, particularly in the context of Earth observation, disaster monitoring and risk assessment. Further details on the workshop are available at <http://grss.ieeemy.org/events/iwgrs2019>

10th IGRSM International Conference and Exhibition on Geospatial & Remote Sensing (IGRSM 2020)

IGRSM 2020 will be held on 17-18 March 2020 at Berjaya Times Square Hotel, Kuala Lumpur. The conference, with the theme *Advancing Geospatial 4.0*, is aimed at disseminating knowledge, and sharing expertise and experiences in geospatial sciences in all aspects of applications. It also aims to build linkages between local and international professionals in this field with industries.

The organising committee of the conference especially requests for high quality submissions in areas related to geospatial science and technology. All accepted papers will be published in IOP Conference Series: Earth and Environmental Science with high visibility and indexed in, among others, ISI Web of Science (Conference Proceedings Citation Index), Scopus and EI Compendex.

Acceptance for oral / poster presentations in the conference will be based on abstract acceptance. However, only full papers that have been accepted by the reviewers will be published in the conference proceedings.

Further details on the conference are available at <http://www.igrsm.org/igrsm2020>
