

IGRSM 2020

10th IGRSM
International Conference
and Exhibition on
Geospatial & Remote Sensing

Advancing Geospatial 4.0

20-21 OCTOBER 2020
ONLINE CONFERENCE

In view of the evolving COVID-19 situation, the conference will be held online

IGRSM 2020 is aimed at disseminating knowledge, and sharing expertise and experiences in geospatial sciences in all aspects of applications. It also aims to build linkages between local and international professionals in this field with industries.

FINAL CALL

**Abstract/Paper submission is now
CLOSED**

All papers that have been accepted will be published in IOP Conference Series: Earth and Environmental Science with high visibility and indexed in, among others, ISI Web of Science (Conference Proceedings Citation Index), Scopus and EI Compindex.

Participants are eligible to collect 4 CPD points from the Land Surveyors Board (LJT), 4 CPD points from the Institute of Landscape Architecture Malaysia (ILAM), 3 CPD points from the Malaysian Institute of Planners (MIP), and 11 CPD points from the Malaysia Board of Technologists (MBOT).
